

YEARLY STATUS REPORT - 2021-2022

Part A

Data of the Institution

| | |
|--|---|
| 1.Name of the Institution | |
| | PSNA COLLEGE OF ENGINEERING AND TECHNOLOGY |
| • Name of the Head of the institution | Dr.D.Vasudevan, Ph.D |
| • Designation | Principal |
| • Does the institution function from its own campus? | Yes |
| • Phone no./Alternate phone no. | 04512554032 |
| • Mobile no | 9443163841 |
| • Registered e-mail | principal@psnacet.edu.in |
| • Alternate e-mail | contact@psnacet.edu.in |
| • Address | Kothandaraman Nagar, Muthanampatty |
| • City/Town | Dindigul |
| • State/UT | Tamil Nadu |
| • Pin Code | 624622 |
| 2.Institutional status | |
| • Affiliated /Constituent | Affiliated |
| • Type of Institution | Co-education |
| • Location | Rural |

| • Financial Status | Self-financing | | | | | | | | | | | | | | | | | | |

|------|--------------------|
| Year | Date of Submission |
| 2022 | 10/02/2023 |

15. Multidisciplinary / interdisciplinary

Our Institution focuses more on making Engineering Students with learning of Multidisciplinary subjects. As per the norms of AICTE, New Delhi and Anna University, Chennai, an echo system is established within the Institution to offer Multidisciplinary subjects through open elective courses. The students were given flexibility to select cross discipline subjects from the list of subjects given under open elective courses.

16. Academic bank of credits (ABC):

The Institution is under the process of registration on Academic Bank of Credits (ABC) via National Academic Depository (NAD).

17. Skill development:

The departments are encouraged to conduct the value added courses to the students to improve their skills. Prior approval is received from the affiliating University and the value-added course contents are endorsed by the affiliating University. Faculty members are permitted to undergo technical training programs from Industries and they will take care of handling the value-added courses. An assessment is conducted during the end of the value-added course and Certificates will be issued to the eligible students. The marks scored in the assessment are entered in Examination Management System of Anna University, Chennai and the same will be reflected in the Grade Sheets of the students. Faculty members are motivated to undergo industrial training towards getting industry certifications. In turn our faculty members conduct various industry relevant technologies for the students to enhance their skills. Apart from that faculty members and students are undergoing online MOOC courses from NPTEL/SWAYAM, Coursera for up skilling them.

18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The medium of Instruction in PSNA College of Engineering and Technology is English, all the courses were taught in English.

But the faculty members will taught students in regional language for them to have a better understanding.

PSNACET has a fine arts club, a team constituted by student members and faculty coordinator. This club is functioning to promote cultural programs too. Students from different states/countries studying here showcase their cultural activities through fine arts club.

Faculty Members and students are encouraged to undergo online courses offered by various online platforms such as Swayam and Coursera. Faculty members and students are given appropriate training to make use of ICT tools effectively. Faculty conducts courses/special classes through ICT tools and also use the platforms for communication and assessment.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

PSNA College of Engineering and Technology follows Outcome Based Education (OBE). POs are standard and COs are defined by the affiliating university. However course handling faculty has the liberty to add

/modify the COs based on the requirements. The faculty constructs COs based on course content and maps corresponding PO using articulation matrix value Low(1),Moderate(2) or High(3) and calculating weighted average for each PO, as threshold value. COs give resultant knowledge and skills which the students acquire at the end of each course. COs specify the cognitive processes offered by the course.

The details (POs, PEOs and PSOs) are disseminated through the website, in department offices, faculty cabins, and laboratory and department notice boards. The same will be printed and circulated among students as well. The students are aware of the COs during the introduction class and the Lecture plan will be disseminated among students for all the courses.

Program Outcomes (POs) represents the knowledge, skills and attitude of the students gained at the end of their course completion. Program Specific Outcomes (PSOs) define the program outcomes which make the students realize knowledge and techniques that have direct implication for betterment in the society and its sustainability.

Program Educational Objectives (PEOs) outlines the professional

achievements that graduates are prepared for, and the effectiveness of the program in making the students face the world wide challenges. As per the University prescribed syllabus, theory and practical oriented teaching methods are evolved in concern to subject faculty to focus more on Outcome Based Education.

20.Distance education/online education:

PSNA College of Engineering & Technology is being affiliated to ANNA University, Chennai, we cannot offer distance education /online education on our own. However Our Institution encourages faculty to adopt pedagogical methodologies. Apart from Chalk & Talk and regular teaching methods, online teaching methodologies are also given equal importance. Some of the methodologies are Microsoft Teams and Google classrooms. Faculty used Microsoft Teams and Google classroom extensively to share notes, presentations, and student assignments. The test and assignments were conducted using Google forms / classrooms. Group Discussions involves discussion among a group of students to gain better perspective on the merits & demerits of the concepts under discussion.

Workshops, seminars, and conferences are also organized every year for gaining knowledge and to increase the research potential of the students and the faculty members. Working Models/Demos are extensively used in which a Simple demo is given to illustrate the basic principles which are displayed in the laboratories. Project-Based Learning is provided to learn the practical courses more effectively; the students are instructed to do mini/major projects/ internships as per university norms. This method is used to provide empirical evidence of the theory courses learned. Blended teaching in which Usage of teaching aid Techniques such as video lectures, and power-point presentations are used. We implement active learning strategies such as Collaborative and individual learning activities. Online Teaching During the Covid-19 situation, faculty made a swift transition from classroom to online teaching by using online platforms like Microsoft Teams, ZOOM, and YouTube. The institution has participated extensively in MOOC's through NPTEL/SWAYAM,coursera since 2017.Students and faculty are encouraged to complete various certification courses offered by NPTEL/SWAYAM and coursera.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The Academic calendar prescribed by the Anna University, Chennai is strictly adhered to. Accordingly the colleges prepare an academic calendar for every semester. Individual department complies with the college schedule and submits its department specific calendar activities planned for the session. In each department, paper distribution is undertaken before commencement of the session. The faculty members submit the teaching plan in advance, to which they strictly adhere. Various course delivery methods are followed by the faculty such as traditional class room lectures, class presentation, tutorials, hands on training, e-learning and casestudies. Apart from class room education students also gain experiential learning through Industrial Visits, Workshops, Conferences etc., and the institution offers add-on courses for enhanced learning. Up gradation of laboratory materials and infrastructural facilities for timely and effective curriculum delivery. Progress of the students is monitored through tests and assignments.

The departments analyze university examination results and the same is presented in the staff meeting. Students are mentored by the faculty in small group to address any difficulty they may be facing academically or otherwise. Regularly feedback mechanism is done to improve curriculum delivery and to take appropriate action on the problem areas.

|-------------------------------------|---------------------------|
| Upload relevant supporting document | View File |
| Link for Additional information | Nil |

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The Academic calendar is prepared in the beginning of every semester in accordance with the academic calendar of Anna University. The management approved academic calendar will be uploaded in college website and ensures to be received by each personal.

The calendar includes the vision and mission of the college. Also, it contains the rules and regulations of the college, and code of conduct that governs the students.

In accordance with the institution academic calendar, the individual department prepares the academic calendar well in advance and displayed in their notice boards. The department strictly adheres to the academic calendar for its various academic activities. The academic calendar includes the date of commencement of the classes and completion of the syllabus, schedules for conducting internal examinations and schedule for entering student's attendance and internal marks in the University web portal. It also contains various activities of professional societies, clubs activities, guest lectures, symposiums, industrial visits, implant training, orientation programme, and value added courses, class committee meetings, parent's meetings, national and local holidays.

| Details of the students enrolled in Subjects related to certificate/Add-on programs | View File |

1.3 - Curriculum Enrichment**1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum**

The institution makes consistent efforts to supplement the University curriculum by organizing activities, which focus on integrating academic and general development of students.

Institution integrate the cross cutting issues relevant to gender, environment and sustainability, human values and professional ethics. University courses relevant to the cross cutting issues that are offered to the students undertaking various Engineering programmes are Environmental science and Engineering, Disaster Management, Principles of Management, Total Quality Management, Professional Ethics in Engineering, Professional English -I, Professional English - II, Renewable sources of energy etc..

In our institution various student clubs that provide platform for students to interact and showcase their academic abilities and participate in extra- curricular based community activities are functioning.

Eminent personalities in our society were invited to give special lectures on women development and National celebration days.

Field work in the form of short term projects and Add -on courses was conducted. Institution provides language laboratory to improve basic linguistic skills of students. Various departments of college assign short term research projects to students under the guidance of teachers and well-focused industry level trainings to make the students ready for the ever changing demands in the society.

| Number of seats filled against seats reserved (Data Template) | View File |

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

PSNACET assesses the learning levels of the students in two ways at the time of the commencement of the programme. Students enrolled in various disciplines are identified as slow and advanced learners based on their +2 marks and the entry level test conducted by each department. This helps to identify the slow learners and to design special coaching/tutorial sessions to bridge the gap between the slow learners and the advanced learners.

Strategies adopted for slow learners

- Remedial Classes are conducted, Academic and personal counseling are given, Bilingual explanation and discussions are imparted,

Strategies for the advanced learners

Advanced learners are identified in all the courses using the performance indicators in various continuous assessment components.

- Coaching is also given in Skill Development Programme like Communicative English, Aptitude, special training programs, competitions, seminars, conferences and Placement. NPTEL, SWAYAM, and ORACLE & JAVA certifications and are provided
- Students are encouraged to participate and present papers in Seminars / Conferences / Workshops / Inter-Collegiate Competitions organized by other colleges.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The College practices a teaching methodology which focuses on imparting education through a student centric approach. The teaching-learning process is one major objective and the strength of our college. Students are given a right blend of traditional and modern methods to make learning student-centric and a rewarding experience. The institution adopts various student centric methods to enhance student's involvement as part of experiential learning, participative learning and problem-solving methodology to ensure the holistic development of students and facilitate life-long learning and knowledge management.

1. Experiential Learning

The students are involved in experiential learning by doing mini projects, major curriculum projects and through internships in

industry. Students also participate in competitions, symposia, conferences at both national and international level for real time exposure.

1. Participative Learning

Students take part in participative learning by doing role plays. Departments organize student activities to promote the spirit of teamwork like NSS camps, institutional social responsibility through Red Cross, village adoption, tree plantation, Swachh Bharat and health awareness camp.

1. Problem-Solving Skills

Students enhance their problem-solving skills by doing case studies.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

In addition to chalk and talk method of teaching, the faculty members use the ICT enabled learning tools such as PPT, Video clippings, Audio system, online sources, to expose the students for advanced knowledge and practical learning. The classrooms and labs are ICT enabled with projectors installed and the campus is enabled with high speed Wi-Fi connection. The multimedia projectors are also enabled with Bluetooth connectivity so that 'Any cast WiFi HDMI dongle' is connected to display the lecture contents directly from one's Android mobile phone. This feature avoids the teacher connecting a laptop/desktop PC to the projector and offers good flexibility on controlling the presentation slides.

The faculty at PSNACET use various ICT enabled tools to enhance the quality of teaching-learning like

1. Google classroom is used to manage and post course related information - learning material, Quizzes, lab submissions and evaluations, assignments, etc.

2. Virtual labs are used to conduct labs through simulations.

3. Online drawing tools like concept maps, mind maps are used to perform student centric

Activities.

4. The PPTs are enabled with animations and simulations to improve the effectiveness of teaching-learning process.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and

mode. Write description within 200 words.

The college has a transparent and robust evaluation process in terms of frequency and mode. Students who are admitted for the concerned course are assessed continuously through various evaluation processes. The Head of the Department holds meetings for the faculty members and directs them to ensure effective implementation of the evaluation process. Continuous evaluation is made through unit tests, assignments submission, serial tests, projects and seminar presentations. To ensure transparency in internal assessment, the system of internal assessment is communicated with the students well in advance. Assessment tests are conducted regularly as per the schedule given in the academic calendar.

Internal examination schedule is displayed on the notice boards well in advance. Changes in schedules, patterns, methods if any, are immediately notified to the students through notice boards and also through classroom briefing by the concerned subject teachers. The method of internal assessment helps the teachers to evaluate the students more appropriately. The performance of the students is communicated to the students and intimated to the parents if necessary. Personal guidance is given to the poor performing students after their assessment.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

PSNACET is affiliated to Anna University, Chennai. The rules and regulations for evaluation process are laid down by the university.

The schedules of internal assessments are communicated to students and faculty. It consists of academic schedule such as class commencement date, serial test schedule, assessment web portal entry periods, tentative university practical and theory examinations commencement date.

Internal Assessment:

The internal assessment evaluation process is communicated to students by the Class in-charge.

Students are given instructions regarding the evaluation methods of University answer scripts and the same is communicated to the students. Three internal assessment tests are conducted per semester.

Theory subjects are assessed through:

- Three internal tests
- University Exam
- Assignments

Practical subjects are assessed through:

- Model practical examination.

External Assessment:

A Centralized exam cell system is followed keeping the guidelines and rules issued by the affiliating university. At the college level, an examination committee, is constituted to handle the issues regarding university exams and evaluation process.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The University has clearly stated the learning outcomes for all its academic Programs and Courses. The syllabi of courses are designed based on the desired learning outcomes. Based on the strict compliance with the objectives of Outcome Based Education (OBE), Course Outcomes (COs) are framed by the department. COs are direct statements that describe the essential and enduring disciplinary knowledge, abilities that students should possess and the depth of learning. The course outcomes are defined by the faculty members using Bloom's taxonomy. Each course in the program

consists of five to seven course outcomes by considering POs and PSOs of our department.

Program Outcomes (POs) are broad statements that describe the professional accomplishments and these are to be attained by the students by the time they complete the program. Program specific outcomes (PSOs) are the specific skill requirements and accomplishments to be fulfilled by the students at micro level by the end of the program.

The PEOs have been categorized into three sections such as Academic Values, Social Sensibilities and Moral and Spiritual Values.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Method of Assessment of POs / PSOs

The Program Outcomes and Program Specific Outcomes are assessed with the help of course outcomes of the relevant courses through direct and indirect methods.

Direct methods are provided through direct examinations or observations of student knowledge or skills.

At the end of each semester, university conducts examinations based on the result published by university, the course outcomes are measured.

Assignments are given at the end of each module/unit. The attainment of Course Outcomes of all courses are given,

% of CO attainment

>=80% >=70% &< 79% >=60% &< 69%

CO attainment level 3 2 1

The COs of each course are mapped to POs & PSOs with weightages of 3 (Strong), 2 (Medium) and 1 (Weak). The value obtained for CO attainment is multiplied by 1 for strong, 0.8 for medium and 0.6 for low correlation. All the courses which contribute to the PO are identified and are evaluated through the Course Outcomes.

Three internal tests and alumni survey are conducted per semester

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Our institution has created an eco-system for innovation, research and entrepreneurship among the students.

Institution Innovation Council(IIC):

It is established to participants in various pioneering entrepreneurial, Innovation and IPR activities. PSNA-IIC sparkles with a 4 Star rating by MoE-MIC for IIC-performance during the academic year 2021-2022.

Startup Cell:

It was established to inspire the younger-minds towards innovation and entrepreneurship. The mission of is to establishing an ecosystem for support with Mentorship, Angel Investors and Venture Capitalists.

PSNA-Intellectual Property Right(IPR) Cell:

It was established in the year 2017 in collaboration with CIPR-Anna University Chennai. It Creates awareness and provide guidance to academic and nonacademic staff, students, scholars, and outside agencies within the frame work of the IPR policy of the institute.

R&D activities:

It aims to nurture research culture in the College by promoting research in newly emerging. It encourages the students and faculty to undertake the research in newly emerging multidisciplinary fields.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

Our institution is adopting various steps toward extension and outreach activities for the surrounding community, through numerous societies such as NSS, YRC, RRC, Rotaract Club, Blood donation club, Healing Environment by Levitating Passion among Society (HELPS) Club, and etc. We encourage our students to help the local community living around our campus through these groups in order to instill social responsibility in them. Some of our institution's key operations for the benefit of local communities are noted below:

- The PSNACET extension activity societies are passionate about tree planting. This project is ongoing in and around the college regularly.
- Our volunteers from different clubs participate in a variety of projects such as regular eye camps and medical camps for the adopted communities as well as on campus for the benefit of society.
- Blood & Organ donation awareness programmes are conducted on 18.6.21 & 22.6.21 in collaboration with Government Hospital, Dindigul & Thoothukudi. Our students are donated blood as a result of these programmes.
- Our volunteers visited old age home on 1.8.21 & provide foods & cloths.
- Through HELPS Club, we celebrated Earth Day on 22.4.22
- PSNACET formed a Yoga Club & our students celebrated Yoga

Day on 21.06.22 in our Campus.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

PSNA College of Engineering & Technology is 118.52-acre campus with built up area of 1,11,073 Sq.m is a vibrant institute of higher education with world-class infrastructure. The Institute has adequate infrastructure and physical facilities to enable students to innovate, impart team spirit and have competence to enable them to face the global challenges and become a contributing member of modern society. The available facilities are more than the requirement prescribed by the AICTE and Anna University by procuring additional equipment. All laboratories are fully equipped with latest equipment. In addition, there are 12 additional labs (other than curriculum labs). These laboratories provide exposure to students to latest in research and advancements. The computing facility consists of licensed software (system software and applications software). The computing facilities of the college cater to the needs of faculty and students to foster an effective Teaching Learning Process. The main library with an area of 2500 Sq.m with a seating capacity of 400 is available. The digital library is equipped with personal computers which are connected with Wi-Fi and LAN for fast and seamless access of the Internet for streaming NPTEL lectures and using e-Resources for the benefit of its users.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

Sports and games have played an important role in the evolution of PSNACET and now when PSNACET has completed thirty-eight years of its academic life, sports in PSNACET can definitely claim a fair share in the progress of the institution. The college has excellent infrastructure for sports and provides professional coaching in sports to students. Regarding sports and games, PSNACET is equipped with the following facilities for facilitating the students to take up and practice sports activities. The residents play indoor games such as tennis, badminton, ball badminton etc. in the in-door stadium. All the college play grounds / play fields and all the hostel blocks are located in the college campus. Therefore, the hostel students can use all the sports and games facility that are available in college. There will be well furnished Gym facilities available to cater the needs of the students. In addition to sports and Gym facilities, a well-functioning Yoga Center has been established in our college to inculcate the practice of doing yoga. College students can reap enormous benefits through yoga classes on campus.

4.2 - Library as a Learning Resource**4.2.1 - Library is automated using Integrated Library Management System (ILMS)**

About ILMS - Library Automation Software The main objectives of the our library automation are speedily disposal of library work establishment of a well storage and retrieval system and time and human power saving with qualitative service. Library automation reduces the workload for library staff in terms of cataloguing, circulation and acquisitions it's also rapidly helps to the student community for the effective use of library resources with quick retrieval of resources.

The library is fully automated through Integrated Library Management System (ILMS) named VKV software, version-20.0.0 (updated 2020) and it was automated in the year 2015. This is windows environment, designed and developed as an in-house project by our students. It has the features such as: OPAC which locates the status and location of the book in the library displays available books and displays the borrower status of print and non-print materials. Previous to this Libasoft was in vogue. It is developed using Visual Basic DOT NET as front end tool and Microsoft SQL server 2008 R2 as back end databases. It consists of the modules such as Bar-coding, Circulation Control, Master Module, Report Management Module

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

1. Our institution's IT infrastructure is primarily designed to provide students and faculty with open and equitable access. Furthermore, the institution's administrative and examination framework have benefited by the same.

2. The main computer center of PSNA supports the Institute with wide fiber optic network that connects all the departments, hostels, library and college offices.

3. All the labs are connected through NETGEAR access points with high-speed internet connection. Wi-Fi connectivity is provided in the administrative and academic areas, which is secured through Sophos SG430 Firewall.

4. The computer systems are upgraded periodically. Based on the syllabus updation, the required software is purchased and license is renewed periodically. The internet bandwidth connectivity is upgraded based on the requirement to provide the quality internet connectivity.

1. College is having 500 Mbps 1:1 leased line internet from Airtel through fiber optic cable and 20 Mbps 1:1 leased line from Tata through RF connectivity and the bandwidth speed is upgraded.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The physical facilities are maintained by the Campus maintenancesection, which comprises competent civil engineers and electricalengineers. The Public Relations Officer with a team of membersmonitor the maintenance and cleanliness of the buildings, classrooms, labs, furniture, campus ground, sports facilities, staff lounge, student's amenity areas, cafeteria and hostel buildings. Housekeeping services are maintained by in-house

housekeeping team and are made available during day time in all days. Transport facilities are monitored and maintained by the Transport manager and his support staff. Annual maintenance of all vehicles are done promptly at the end of the academic year. The library staff is well aware of handling the library documents particularly during processing, shelving and conveyance of documents. The Computer Centre and its support staff maintain the ICT facilities including computers and servers. The annual maintenance includes the required software installation, antivirus and upgradation are undertaken by the team of technicians coordinated by the system administrator. The respective faculty members, staff, lab assistants and other service personnel are given responsibility to maintain the equipment's under their purview. All major repairs are identified and external expertise sought for maintenance of equipment wherever necessary with the permission of the principal.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Students PSNA College of Engineering and Technology have been fortunate enough, because the college provides various opportunities for the welfare of the students to outshine in other fields apart from academics.

Internal Quality Assurance Cell (IQAC): Student representatives are nominated for this cell, who participates in the decisions regarding the quality initiatives of the institute.

Hostel Committee: They play major role regarding food quality, hygiene and other general facilities. They voluntarily monitor day to day activities and bring to the notice of the warden immediately.

Women Empowerment Cell: The girl students are part of the committee to address issues on women welfare.

In addition to the above, the students are involved in organizing Technical fest, Cultural fest and National Level Sports fest. The students are also exposed to the new version of soft skills to develop the language and career development skills. These practices help the student to have self-confidence and self-development.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Alumni bring laurels to their juniors in many ways through the PSNA College of Engineering and Technology alumni (PSNACET ALUMNI) association lead by Head of the Department / Mechanical Engineering. Regular interaction with alumni is ensured to bring current technologies practiced in the industry to the institute. Alumni meet is being conducted at various locations around the world like Singapore, United States of America etc., including college campus.

The Following are the activities carried out with the help of Alumni.

Advisory board Members: The Alumni advisory board members are one

of our stakeholders involved in assessing the various attainment criteria's in Outcome Based Education.

As a Recruiter: Many alumni are in top positions in reputed industries. The opportunities available in their organization are shared with the students and many eligible students were recruited with the help of alumni.

As an Entrepreneur: Successful alumni entrepreneurs are motivating the budding technocrats to become entrepreneurs by sharing their experience for the students to enhance their skills to become successful entrepreneurs.

Research and consultancy: To fuel the research and consultancy our Alumni members are extending their help to the departments to carry out consultancy works in various sectors of the engineering stream.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Nature of Governance:

PSNA College of Engineering and Technology is steered by a Governing Body at the apex level, is participatory, decentralized, transparent and transformational. The governance ensures that the execution of educational programs reflects the institution's

vision and mission.

Perspective Plans: The institution has set strategies to adopt innovative methods and best practices to deliver quality education to the students.

The governance of the college reiterates the provisions manifested through its vision and mission and reflected by implementing the following plans.

- To create a conducive learning ambience for encompassing development of students.
- To frame the effective Teaching & Learning Process.
- To strengthen the student's academic potential and employability /entrepreneurship skills.
- To provide faculty with space for innovation in teaching and research.
- Enhancing the quality of Teaching - Learning
- Promoting of Research among staff and students
- Improving Quality Assurance and sustainability.
- It formulates quality policies related to all pertinent aspects of the Institution's governance, leadership, and management.
- The college recognizes the potential of teachers to be important stakeholders in the translation of the vision and mission statements.

|---------------------------------------|---|
| Paste link for additional information | https://www.psnacet.edu.in/naac/6.1.1/6.1.1/additionallinks.pdf |
| Upload any additional information | View File |

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Decentralization Practices: The Institution has a mechanism of providing operational autonomy to various functionaries in order to ensure a decentralized governance system. class committee and student's associations with representation from meritorious, average, slow learners from both male and female students. Refining and redefining activities by keeping in view of the deliberations of class committee and associations. Organization of several activities by students to enhance the capabilities of students under the tutorship of faculty member, hone their event management skills. Empowering Heads of the Departments to distribute work load to faculty, to identify the value-added courses, to identify the content beyond syllabus and to organize various faculty-student empowerment programmes with the help of members of class committee, teaching, and non-teaching faculty of the department.

Participative management: Participative management involves Management, Dean, Principal, HoDs, Faculty and Students. All the faculty members are involved in planning and successful implementation of the academic and teaching-learning processes. The information is disseminated to all the students through class representative who briefs the requirement of the class. The students are allowed to participate and give their feedback at regular intervals.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The Institution has plans for the development of Strategic/perspective plan for the period from 2021 - 2026:

1. To be ranked among TOP 50 engineering institutions in NIRF Ranking

2. Promote Industry-Institution Collaboration with top MNCs
Collaboration with various industries in the field of Research &

Development and consultancy.

3. Collaboration with Institutions around the world to promote quality higher education and for supporting students/faculty exchange programs.

4. Improve the involvement of alumni in all the aspects of Institutions development by collaborating with them in placements, guest lecture, mentoring students in various projects, mentoring incubates, research and development, consultancy.

5. To attain International Accreditation for the Institution. Improving IPR activities and Idea Innovation cell activities.

The Strategic management is a continuous process that is systematic and focuses on long term and short-term objectives of the institution. The college is having one of the largest student populations among engineering colleges in this zone.

It aims to conceptualize learning outcomes in more comprehensive terms and desires that its graduates possess distinguished academic and personal abilities.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The principal of the college is assisted by several Heads of the departments carry out the policies of the governing body. Next to the principal in the hierarchy are Deans, the Heads of departments, the registrar, the faculty and the non-teaching: technical and non-technical staff to look after academic and administrative aspects.

In addition to the governing body there are several statutory and other committees are in place to administer various activities related to academic, administrative and extension.

Administrative Set

Functions

Statutory Committees Policy

making, Financial matters, Recruitments, approving annual budget

The Non-Statutory

Committees

Planning and Evaluation, Student welfare, Co-Curricular and Extra-Curricular Activities, Industry Institute Interaction

Service Rules and

Procedures

Regulate the service conditions of all staff, either regular or probationary /ad hoc appointed in the vacancy of an approved post.

Recruitment Policy &

Promotion Policy

Identification of a vacancy, advertisement of the same, Short-listing of the applications, API score

Grievances Redressal Cell

Helps students and Parents to record their complaints and solve their problems relevant to academics, resources, and personal grievances.

Women Grievance

Redressal Cell

Deals with the cases/complaints of sexual harassment and any other type of harassment of the female students, teaching, and non-teaching women staff of the college.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff

1. All employees are covered by medical insurance up to a maximum of Rs. 1 lakh per year for accidental and health insurance.
2. Employee Provident Fund (EPF) & ESI as per regulatory norms.
3. Canteen facility for teaching and non-teaching staff members
Fee concession for employee's dependent children within the institution.
4. Leave facility includes medical and marriage.
5. Encouragement of career advancement programme.
6. Reimbursement of registration fees towards attending seminars,

workshops, and conferences.

7. OD facilities are extended to the teaching staff for attending seminars, workshops, and conferences.

8. Recreation centre like yoga, gym, indoor and outdoor games.

9. Transportation facilities are available to all the teaching and non-teaching staff.

10. Accommodation facility in Hostel for the staff members based on their request.

11. There is financial support for teachers participating in academic activities outside of college.

12. HoDs are provided with laptops to ensure timely submission and record of all academic reports.

13. All faculty members are provided with LAN internet and Wi-Fi facility to promote paperless administration.

14. Library is equipped with internet facility to facilitate research work.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Appraisal Mechanism:

Self appraisal form consists of the following key parameters.

1. Teaching Performance (Max. Credits 30)
2. Research and Development (Max Credits 50)
3. Continuing Education (Max Credits 10)
4. Service to Institution, Department (Max Credits 10)

The faculty submit the self-appraisal form to the Head of the Department with all the relevant supporting materials/documents.

Head of the Department will award scores for all the criteria and will submit to the Head of the Institute with all the recommendations.

Self-Appraisal Form: The data sheet captures information related to qualification enhancements, conferences attended, papers published, research undertaken, NPTEL courses completed, awards / recognitions won and participation in various academic and administrative bodies both within and outside college. This is an annual exercise and is anchored by the HoD who collates the data and forwards the same to the principal. Faculty mentoring is undertaken by the principal to faculty who need improvement and further guidance. **Students Feedback:** The College receives feedback

from the students at the end of every semester to rate the faculty on parameters related to teaching, subject-knowledge, punctuality, and commitment. It is collected by using CAMU software for process.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Internal Audit: The Chairman monitors and reviews the expenditures of the Institution by conducting budget meeting. The suppliers are chosen based on the quality of the goods and price quoted. The purchases are made with the chosen suppliers after negotiations. Senior Finance Manager audits the fund flow regularly and any discrepancy is reported to the management for calibration of the proposed budget. The books of accounts, payment vouchers, bills and bank statements maintained by the institution are verified by the senior finance manager. Cash inflow and expenditure are monitored using Tally software and cash collected at the counter is deposited in the account every day. Apart from fund flow the consumables and non- consumables are audited by senior faculty members annually and the reports are verified by the senior finance manager

External Audit: Though a consistent audit is made internally, a qualified Chartered Accountant reviews the accounts/entries on quarterly basis. Suggestions/objections, if any, raised by the Chartered Accountant are discussed with the management for necessary action. Every year the accounts are further reviewed and finalized by external auditors and audited financial statements are prepared. The balance sheet is verified by the external auditors and submitted to the management.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Utilization of funds :

Funds are utilized for salary and other expenses of the institution. Salary expenses include salary paid to teaching & non-teaching staff members and salary expenses include purchase and maintenance of equipment, infrastructure maintenance, furniture repair and maintenance, office expenses, printing & stationary and miscellaneous expenses, etc. Adequate remuneration / financial support is provided to the faculty members for attending conference, workshop, seminar and FDP. Enhancement of library facilities leads to the enhancement of teaching learning practices and accordingly requisite funds are utilized for this. Adequate funds are utilized for development and maintenance of good infrastructure for the institute.

Optimal Utilization of Resources: Solar energy is used for the electrical appliances which reduces the electricity bill. Water recycle plant is used to save the waste water and use it to keep

the campus green. Scraps are disposed at the right time which helps to acquire consumables for the next academic year. Effective purchase system helps to identify best supplier for both consumables and non-consumables at an optimum cost. Green Atmosphere Enough care is taken to maintain cleanliness in the campus which coexists with godliness and fund is judiciously utilized.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

IQAC cell has been constituted to effectuate quality metrics in to every academic activity, primarily, teaching learning process. Accordingly, the cell has been the linchpin in integrating Outcome Based Education as a tool for progressive education.

Practice 1: Value Added Courses To enhance the quality in academic and administrative domains, various IQAC strategies are institutionalized so as to keep in pace with the expectations of stakeholders like students, industry and society. The college has signed MoUs with various industries in order to acquire Skills and knowledge beyond curriculum which is necessary to succeed in today's world. The value-added courses prepare our students updated on the latest trends and improve their technical skills further. Today's world is much competitive and to bloom among the competition along with the curriculum of regular studies, knowledge and skill are more vital and hence our college offers Value added courses to the budding students. The students will also be updated on the emerging trends by attending the workshops arranged by our college. Value added Programs are now being made part of our academic delivery by including as one credit course which have improved the career opportunities of our students.

| Upload any additional information | View File |

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Periodic IQAC meetings are held to discuss and review the teaching learning process and to validate if the methodologies followed are steadfast in achieving the intended outcomes.

Example: Feedback Mechanism An effective feedback mechanism is devised to ensure the proper teaching-learning and evaluation processes. The teaching learning process is monitored by the hierarchies such as the principal, academic dean, head of the department, class committee, and tutors. Feedback is one of the best quality enhancement strategies. It always gives us an opportunity to know how others perceive about us. Our institution always conducts a structured feedback activity and feedback is obtained from both internal and external stakeholders including students, parents, faculties, alumni and employer. The IQAC has a structured feedback mechanism in place to facilitate a review of the administrative and academic departments on various aspects such as: Student, Parent and Alumnae General Feedback of the institution Student Feedback for Teacher Evaluation Course Feedback and Programme Feedback by students An Online feedback mechanism to evaluate the teaching learning process is in place. Performance is evaluated based on internal assessment.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

- Our institution has strong team of 60 security personnel along with 1 chief security officer and 3
- Assistant security officers deployed all around the campus.
- E- Surveillance with 570 high resolution cameras for day and night monitoring at various strategic places in the campus.
- Well established and exclusive hostels for girl students exist in the campus.
- Grievances of hostel students are addressed by conducting meetings with the associate warden.
- Health centre with a qualified doctor and nursing staff is available in the campus to provide medical care.
- The ambulance facility is available for 24 hours in ladies hostel for any medical emergency.
- An exclusive student counselor is appointed to solve the issues faced by the students.
- Separate girl's common room is created with all facilities to take rest when they are sick.
- There is a separate gym facility for girls at ladies hostel.
- Grievances of students are addressed by grievances redressal cell of the institute.
- An exclusive canteen for girls is also available in the

institution.

- Programmes like Women's day celebration and Women Health are organized at regular intervals.

| File Description | Documents |

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Solid Waste Management

Degradable and non-degradable wastes are put in proper waste bins. The wastes so collected, are shifted to collecting trolleys and then dumped in the collecting area.

Sanitary Napkin Incinerators are installed to promote hygiene.

Food wastes are given to pigs and poultry farms.

Liquid Waste Management

There are 3 Sewage Treatment Plants (STP) in the campus.

STPshavea storagecapacity of 8.5 lakhs litres from which the treated water is generated and used for watering theplants.

Reverse Osmosis (RO) plant is installed in the campus .The reject from RO plant is utilized for cleaning and gardening.

Biomedical Waste Management

Biomedical waste is generated during the course of conduct of the labs.

They are collected and handed over to the municipal corporation to discard safely.

E- Waste Management

Electronic goods are put to optimum use by repair work done by technical assistant.

Non repairable are used as models to explain concepts to thestudents.

Students are encouraged to reuse E-waste for project.

Waste Recycling System

The biodegradable/horticulture waste is disposed into the Landfills to produce compost.

Biogas obtained from the Biogas plant is used for cooking.

Waste water is recycled and used for gardening.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The Institute has taken several initiatives to make sure that the campus provides an inclusive environment to cater to the needs of different diversities.

Linguistic and Cultural Diversities:

The college has a "Muthamizhl Mandram" which conducts various essay, poem and elocution contests in Tamil throughout the year.

Apart from Tamil, to make learning of English a fun, there is a "English Literary club" and a "Toastmasters club" in the college which is active and serves to improve the usage of English. To reinforce the cultural identity of the state, every year Pongal and Diwali celebrations are held in the campus. The entire college celebrates pooja festival with all the equipment cleaned and rituals done. A 'Golu' which is an arrangement of dolls is kept in college temple for the "Navaratri festival".

Communal and Socio-economic Diversities:

Every year NGOs from nearby rural places and self-help groups are encouraged to put up their

stalls in the college premises.

Annually blood donation camp is conducted on the eve of founder's birthday .The college conducts free medical camps for its employees and the people living in the nearby villages

The institution also rendered its helping hands to the society during natural disasters.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

National Identities and Symbols

Republic day was celebrated on 26th of January in the presence of our Chairperson and Pro-Chairman. Independence Day also celebrated every year to highlight the struggle for freedom and the importance of Indian constitution. Our security guards performed March past. The students are motivated through awareness programme titled "Career Guidance Programme on Armed Forces" in our college premises.

Teachers Day

Teacher's Day is celebrated in India every year on 5th September to appreciate the role played by teachers in the life of students—the leaders of tomorrow.

Due to pandemic, the institute celebrated this day through the Zoom app on 5th September, 2021 at 5p.m.

International Women's Day

Women's forum of the institute organizes the event on 8th March every year. Our institution is conducting yoga programme in the campus from 2017 onwards. Live sessions are conducted which include orientation of Yoga asanaas.

Addressing Human Values and Professional Ethics related issues

In order to inculcate moral and social values, undergraduate students have the professional ethics subject as a part of curriculum with the objective to acquaint with the ethics in professional.

| File Description | Documents |

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

Republic Day:

Republic Day is celebrated on January 26 in order to honor the date on which the constitution of India came into effect. Every year on this day, the national flag is being hoisted in the college premises to commemorate the day.

Women's Day:

Women's day is celebrated on 8th March every year to commemorate the cultural, political and socioeconomic achievements of women and also to show respect and appreciate women for all of the efforts in managing the personal and professional lives, as well as for their contributions.

International Yoga Day is celebrated every year on 21st June. The intention of this day is to spread awareness about the physical and spiritual benefits of yoga.

Independence Day:

Independence Day is celebrated on 15th August annually to commemorate the Nation's Independence. The National flag is being hoisted in the college premises to commemorate this day. All the staff members and students gather in campus to commemorate this event.

Teachers' Day

Teachers' Day is celebrated on the birthday of second president Sarvepalli Radhakrishnan. Due to pandemic, the institute celebrated

this day through the Zoom app on 5th September, 2021 at 5p.m.with a special guest lecture.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice - 1. Value Added Courses

Objectives:

To bridge the knowledge gap between academia and

The Context: There have been 90 Value Added Courses in these five years, out of which 70 are self-framed courses and 20 One-credit courses approved by Anna University.

The Practice: The College takes steps to find needs of the industry and signs MoUs to teach such Value Added Courses.

Evidence Of Success: These courses help 25 to 38% of the students to get placed in their core companies.

Problems Encountered: Value Added Courses are offered to students in addition to the regular curricula.

Best Practice -2. Feedback from stakeholders

Objectives:

To sustain the quality of education

The Context: Getting constructive feedback from the stakeholders is necessary to create a conducive academic environment.

The Practice:

The feedback from following are collected Students Parents Teachers Alumni Employer Evidence of Success: Feedback system aids us to collect all the constructive suggestions given by the stakeholders and assist us to realize our missions.

Problems Encountered:

Some students are very reluctant to give their feedback. Reaching out for alumni was another problem faced by us. Schematic diagram representing the execution of the feedback process

| File Description | Documents |

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The institute provide innumerable support and provide ample opportunities to help the students develop the requisite skills and expertise to make them employable graduates.

Soft Skill training

Soft Skill training is working on communication abilities, personality traits, personal attributes, etc. which are significant professionally and socially. Soft skill training helps them to improve their personal attributes along with communication abilities.

Career guidance programs

A career guidance program develops student's competencies in self-knowledge, educational and occupational exploration, and career

planning. The institution organizes training programs to motivate the students to participate in various competitive examinations.

Cognitive skills training

Cognitive skills training program is about practicing the brain to think faster and learn easier. Movement and visual competencies activities combine the senses; enhance body and attention control, spatial orientation and internal timing. It helps in enhancing students Problem solving and reasoning skills.
