INTRODUCTION

The institution provides all the facilities for disabled persons such as wheel chair, ramp, lift, rest room for disabled, Braille software, human assistance, reader, scribe and soft copies of reading material. The disabled persons have more confidence, feel friendly and barrier free environment when they have enough facility. The management advised all the staff members to take utmost care to provide human assistance to disable persons in the campus.

RAMP FOR DISABLED STUDENTS

- The institution provides ramp facility to disabled persons for the easy access of various places in the campus.
- At the entrance of each block and library in our campus are provided with ramp facility.
- The reduced inclination in the ramp makes easier and safer movement of wheelchair.
- The ramps are carefully designed as per the specifications to be required by the disabled persons.

LIFT FOR DISABLED STUDENTS

- The lifts are provided in the campus for disabled students to go to different floors other than ground floor.
- The lift has wide enough doors to accommodate wheelchair and the sufficient space inside of it.
- There is a lift in the main building of the college so that the disabled persons can go to office easily.
- There are lifts also provided in the hostels for them to have their accommodation in any of the floors.
- The audio visual signals in the lift indicate the arrival of different floors to them.

WHEELCHAIR FACILITY

- The wheel chair is a one of the most important mobility device used by the disabled persons.
- The institution has the wheel chairs which have adequate space to sit during usage.
- The institute has taken more attention on dimensions and control aspects of wheel chair during the purchase of them.
- A wheelchair may be operated by the user alone or with a helper's assistance. However, wheelchair design must assume that the user should be able to operate the wheelchair without help.
- The wheel chairs are placed in the departments as well as in the library according to the need.

Wheel Chair for Disabled Person

DISABLED FRIENDLY WASHROOM

- The separate wash room for disabled persons is provided almost in all blocks in the campus.
- It is designed as per the standard specifications to accommodate people with physical disabilities.
- This washroom is provided with additional features like sliding door and grab bar for the convenience of the disabled persons.
- The extra care is taken by the institute to maintain this washroom neat and clean.
- The sign board is provided outside of the washroom to access it easily and not to be used by others.

SIGN BOARDS

- The sign boards are very important component in any institution as for as disabled persons are concerned.
- The sign boards make the disabled students to feel comfort to move to any place in the campus without any confusion.
- The institution placed sign boards and display boards at different places in the campus for the benefit of disabled students.

PEDESTRIAN PATHWAY

- The institution has made pedestrian friendly pathways at many areas by considering the disabled persons.
- The disabled students can move easily in these pathways either by walk or wheel chair.
- The disabled students feel free and can avoid human traffic when they use the pedestrian friendly pathways
